TERMS & CONDITIONS

Our responsibility to you as passengers is to provide your User Group with a boat trip which is operated safely.

We will take all reasonable care, recognising that our Passengers may be physically and/or mentally disadvantaged.

The prime responsibility of the Skipper and Crew Members is the safe operation of the boat and the safety and comfort of the Passengers whilst on the boat. The Skipper will advise all Carers and Passengers assisting at locks; normally one Carer to accompany each Passenger.

The User Groups responsibilities. Provide an adequate number of Carers appropriate to the circumstances of the Passengers. The Carers will ensure that the behaviour of the Passengers does not endanger themselves or the boat. Carers have prime responsibility for First Aid.

When assisting at locks the Passengers are the responsibility of the Carers, they will be advised to wear life jackets and must follow instructions from Crew Members.

The Skipper has overall authority for the duration of the trip.

Passengers in wheelchairs. Kingfisher is fitted with a lift providing Passengers in wheelchairs safe and comfortable access to the boat. The lift is also used to assist passengers on and off the boat. (Dimensions of lift base: length 120cm, width 80cm, weight limit 300kg)

Please note that we can only accommodate 3 normal wheelchairs at a time on the boat.

Because of their weight these can only be taken subject to prior arrangement. Please discuss with Jane Rogers when confirming dates.

Children. Under the age of 10 are not normally allowed on the boat but a special arrangement may be possible. Please discuss this with Jane Rogers when booking.

Dogs are not allowed unless they are Guide, Hearing or Medical dogs.
